Process

Present: *(Sequence the lesson steps. Take the learning from their world to the world of the classroom. Present the information and allow time for students to practice and respond. Engage critical thinking, problem posing, and problem solving.)*

- Introduce the song
- Comment on how during the last lesson we learned the notes b a and g today we are also going to learn d
- Ask the students if they remember last weeks notes and have them demonstrate to keep them engaged
- Walk the students through the first phrase
- B A G A B B B
- Then start the next phrase
- A A A B then introduce the note D
- Start off by having the students play a C and tell them so simply lift off their thumb and this is the note D
- Demonstrate then start the second part again adding in the d this time
- A A A B D D
- B A G A B B B B A A B A G
- Now let's play the whole thing
- Split the group into two groups and have them perform it in a round and then try four groups
